Classes dropped after the posted drop/add period will be charged full price. Tuition and fees are billed to your account each semester. You will receive an email from the Bursar's Office when your electronic bill is ready for viewing in MYWIDENER, Widener University's online student portal.

Tuition and fees are combined with estimated living expenses to create a student's cost of attendance. A cost of attendance is also referred to as a budget. A student's financial aid in an academic year may not exceed the cost of attendance. Financial aid includes merit-based aid, loans, outside scholarships, and grants. Additional information on how your cost of attendance was calculated is located at http://delawarelaw.widener.edu/coa

Students will receive an email directing them to their online award letter to see what scholarships, grants and/or loans have been awarded by the Financial Aid Office. Students borrowing a Federal Direct Unsubsidized Loan should be aware that the Federal Direct Unsubsidized loan is charged a 1.057% origination fee at disbursement.

Do not include Federal Work Study when trying to determine your estimated tuition balance as the amount is not credited to your account. It is paid directly to you in the form of a bi-weekly paycheck based on the number of hours you work and is limited to the amount on your award letter.

How to determine your Delaware Law tuition balance after awarded financial aid:

Estimated Tuition and Fees (credits registered x per credit charge+fees)

- less scholarships/grants awarded

-less loans awarded (be sure to subtract the fees)

Estimated tuition balance

<u>Semester Example</u>:

\$28,748 (16 credits x \$1793 + \$60fees)

-\$10,000

-10,142 (\$10,250 x 1.057%)

\$8,606 balance due

Students can apply for the GradPLUS loan online at https://studentaid.gov. The GradPLUS process consists of two-steps, (1) Applying for the loan; (2) signing a GradPLUS MPN. Once you access https://studentaid.gov click "Apply for Aid" then select "Apply for a GradPLUS Loan." You must be logged into studentaid.gov to apply for the loan. If you are a first time borrower or were not approved on your own credit for a previous GradPLUS loan, you will need to go complete a MPN for the GradPLUS loan. On the same site, go to "Complete Aid Process" and then select "Complete Master Promissory Note" for the Graduate PLUS loan.

Excess Funds

Students who expect to receive financial aid in excess of their required tuition, fees and housing charges will receive a refund for the credit created on their account after all required charges have been paid. Refunds are paid via direct deposit. Direct deposit can be set up using the MyWidener web portal. Search "Direct Deposit" and select "Bank Info for Refund" and "Launch Task". These funds are generally available 10-14 business days after the funds have been applied to your account. Federal funds cannot be disbursed prior to the start of the semester.
