

January 2023

Dear Widener Student,

I wanted to take this opportunity to welcome you to Widener University! Your 2023-2024 Financial Aid Offer is available online, through your personalized Widener account. In addition, you can find Financial Aid Award Descriptions that provide detailed information about the types of aid offered at <http://Widener.edu/FinancialaidOffice> under "Award/Offer Information". A document entitled Estimating Your Cost can be used for your convenience to help you plan your finances. I would highly encourage you to review your Financial Aid Offer carefully and begin to plan now for meeting any remaining costs for your Widener education in the upcoming academic year. You will find estimated tuition, fees, and room and board costs at <http://Widener.edu/BursarOffice> to help you plan for your first year of college.

Financial Aid Services staff are happy to help with any applications and to answer any questions regarding your aid offer. Please contact us by phone at 610-499-4161 or by email at [finaidmc@widener.edu](mailto:finaidmc@widener.edu).

Enrollment Services at Widener provides a one-stop department to assist you with a variety of student services questions you may have about enrolling at Widener. You can speak to a representative by calling 610-499-4161.

The MyWidener link at the top of the <https://www.widener.edu/> web page is the most convenient way of getting information, especially for parents, about paying for college, using the Widener Semester Payment Plan, registration, other services offered, and timely updates important to all students. Please continue to use your Widener email for any additional information that may be provided.

If your Financial Aid Offer is estimated, please submit the information that has been requested as soon as possible, so we may finalize your aid.

Best Wishes,

Dana D. Moore  
Director of Financial Aid Services
