

2024-2025 GRADUATE FINANCIAL AID INFORMATION

1. Your initial aid offer is based on your matriculation status and your projected enrollment status from your FAFSA and/or Widener Graduate Data Form application(s). **Any change to your enrollment status (number of registered credits) or your program of study will affect your financial aid offer.** It is important that you notify Financial Aid Services of any change in your enrollment status.
2. **Report all awards not listed on your offer letter, including non-University or University awards such as Scholarships, Grants, and Tuition Remission.** These awards may affect previously offered financial aid including Federal Direct Loans. You will be notified of any adjustments to your financial aid.

Refer to the Graduate Academic Progress Standards online and in the Financial Aid Handbook online at <http://sites.widener.edu/financialaidmc/>. Students must maintain satisfactory academic progress in order to continue to receive aid.

Please remember you need to reapply for financial aid annually. The financial aid listed on the offer letter is for the 2024-2025 academic year only. You should reapply each year by March 1st.

The following financial aid programs are awarded to students who demonstrate financial need. Packages will vary based on the University's deadline, number of students applying, availability of funds and federal, state and University guidelines. Financial aid is determined as follows:

$$\begin{array}{r} \text{Cost of Attendance} \\ - \text{Student Aid Index (SAI)} \\ = \text{Need} \end{array}$$

The SAI is determined by the Department of Education using the information provided on your FAFSA and applying a formula established by the Federal Government. Information on the SAI calculation can be found at <https://studentaid.gov>.

UNIVERSITY AWARDED AID

Tuition Remission – Tuition remission may be awarded to you by your graduate department. If it appears as an estimate on your offer letter, we have assumed you will be receiving it based on information you provided on your graduate enrollment information form or based on your prior history of receiving it. **This estimate does not constitute an offer of tuition remission; please confirm your eligibility with your school or college.** If you are (or you are not) receiving tuition remission, your Federal Direct Loan eligibility could be affected.

WILLIAM D. FORD FEDERAL DIRECT LOAN

The William D. Ford Federal Direct Loan included in your offer letter is a calculation of eligibility based on information you supplied on your FAFSA. You are responsible for paying all of the interest that accrues on a Federal Direct Unsubsidized Loan. If we are awaiting additional information to complete your application for aid, the amount of your Federal Direct Loan eligibility on your award letter will be an estimate only. You must maintain at least half-time enrollment to retain Federal Direct Loan eligibility. **If you wish to reduce the amount of your Federal Direct Loan, please change the amounts indicated with the amounts you want and return the award letter.** Student Financial Services will reduce your approval amounts prior to disbursement if possible (at least two weeks notification necessary prior to disbursement).

You must complete a Master Promissory Note (MPN) at <https://studentaid.gov>. If you already have a completed Master Promissory Note on file with the Dept. of Education, we will certify your eligibility and you will receive a guarantee notice in the mail. **New loan borrowers at Widener must complete Entrance Counseling by going online at <https://studentaid.gov>**

COST OF ATTENDANCE

Widener University uses standard Cost of Attendance budgets to evaluate eligibility for financial aid as required by federal regulations. These are based on average costs incurred and estimated additional expenses for books and supplies, personnel and travel. Below is the 2024-2025 estimated Cost of Attendance budget for a full time and a part time Graduate Education major taking 24 (FT) or 12 (PT) credits in an academic year.

TOTAL COA	36,877	24,192.00
TOTAL DIRECT COST	21,024	10,647.00

* There may be adjustments or additional components, such as field placement fees, depending on the graduate program.

* Tuition listed is \$855 per credit plus student and technology fees.

ACCEPTING YOUR FINANCIAL AID

1. If you are accepting financial aid as it appears, you do not need to return the offer letter.
2. If your enrollment status will be different from your offer letter, please make the changes on the offer letter, sign and return it to Widener University Student Financial Services, or email finaidmc@widener.edu from your Widener email address.
3. If you wish to reduce the amount of your Federal Direct Loan certification or decline an award entirely, cross out the amounts indicated and write in the amounts you want and return it to Widener University Student Financial Services. You may also send an email to finaidmc@widener.edu from your Widener email address, include your Widener student ID, and specify in the email what changes you would like made. **PLEASE BE SPECIFIC IN YOUR REQUEST** (award to change, new amount, which semester, etc.)

PAYING YOUR BILL

Each semester your finalized financial aid will be applied to your account, with the exception of Federal Work-Study. **Financial aid may not cover your total charges.** Billing is done by semester; notification of e-billing is emailed to the student's Widener University assigned email address and authorized users set up by the student. Please visit the Widener University Bursar Office website at <http://Widener.edu/BursarOffice> for information on all University charges, bill payment information and Widener University Payment Plans under the Graduate Tuition Rate and Payment Guide.

If you have any questions, please contact Enrollment Services at 610-499-4161 or finaidmc@widener.edu or visit us in Lipka Hall.
