Raising Money For Crozer Chester Medical Center

Aidan Looby, a brother of TKE, woke up one morning and decided to do some fundraising for Crozer. He set two goals: if he raised \$100 he would dye his hair pink, and if he raised \$300 he would get a mohawk as well. He hit both goals, held up to his promises, and used the money to buy sandwich trays, water bottles, and Gatorade for the hospital.
